RE: Donation for the Industry Defense Fund

Dear Mr. Stafstrom;

Thank you for your contribution to the Industry Defense Fund. I am extremely grateful and appreciate your support.

Successfully we were able to promote and protect our industry by defeating every environmental and energy bill that was brought before the Connecticut General Assembly. See the attached CEMA 2023 & 2024 Legislation Session in Review for more details.

Also keep in mind that, while many other states are dealing with laws requiring the creation of devastating cap and trade programs, clean heat standards, and mandating the sale of EVs, CEMA has maintained a marketplace that allows for free and fair competition.

Please accept our sincere gratitude for your continued support of the industry. Without your support, these successes would not be possible.

Enclosed is a Certificate of Appreciation recognizing your dedication to the industry.

THANK YOU!

Kindly,

Chris Herb
President
