

## Conditions Covering Spring Brook Ice & Fuel Service's Array of Service Plans:

1. All heating equipment and oil tanks are subject to our inspection, testing, and approval for acceptance into any heating plan or tank protection program.
2. Service Plans 2 & 3 are available to our automatic delivery customers only.
3. Prices quoted refer to residential oil burners only. Prices for commercial or other type of burners are available on request.
4. Spring Brook Ice & Fuel Service reserves the right to cancel any heating plan for any of the following reasons:
  - a. Failure to buy all fuel oil from this company
  - b. Servicing of equipment by anyone other than authorized personnel of Spring Brook Ice & Fuel Service
  - c. Failure to maintain proper credit with this company
5. Service Plans 2 & 3 cover the operation of your oil burner. They do not cover: plumbing and specialty items such as humidifiers, circulators, circulator motors, blower motors, tank-less or tank type water heaters, radiators, baseboards, flow valves, zone valves, water feeders, extrol tanks and low water cutoffs, relief valves, vent valves, glass gauges, or electronic air cleaners. Nor does it include the venting of radiators or expansion tanks. All furnace or boiler heat exchangers are not covered. Service Plans 2 & 3 do not cover the complete replacement or complete rebuilding of an old oil burner.
6. Service Plans 2 & 3 are limited to parts and labor listed and does not include labor or materials required due to: power failures, blown fuses, main switch off, no water in boiler (steam), flooding, fire, storm, water damage, electrical failure, thermostat set improperly, or failure to keep sufficient oil in the tank (unless oil is being supplied by our automatic delivery service).
7. Service Plans are automatically self-renewable for each successive year unless either party decides to terminate the agreement—30 days notice necessary. Terms: payment due upon issuance of the plan, unless included in the monthly budget.
8. We are equipped to provide service promptly, but cannot be held liable for any delay or failure to supply service or material because of conditions beyond our control or for consequential damages or injury.
9. Spring Brook Ice & Fuel Service has the right to cancel Service Plans 2 & 3 without liability when issued in error.
10. Service Plans 2 & 3 can be transferred from the original owner to a new owner at the address shown for the unexpired term of the agreement, provided the fuel is purchased from Spring Brook Ice & Fuel Service.
